## Why 3 different portion sizes?

We had a 4week analysis of our food waste. The main result was that our portions were too big, where considerable food landed on the biogas plants. Therefore we decided to keep an eye on the portion sizes to use our valuable food optimal.

**Rules for XL portions: Dish only for 1 person & no take-away of the remaining food.**

Our staff will be happy to inform you about ingredients in our dishes that may trigger allergies and/or intolerances upon request.
